Scholarship Program

During our Congregational Meeting this past Wednesday, we voted to accept a recommendation from our Administrative Team to establish a financial scholarship for students related to Lyndon Baptist Church.

The Scholarship Fund will be set up as a designated fund, which means that the funds in this account will roll over from year to year and be available to the student(s) we select as long as we have funds available.

We further voted to accept the recommendation of the Administrative Team that Victor Isaac be the immediate recipient of funds from this program. Victor is a student from Nigeria who attends Boyce College. Many of you know that he has been an active part of Lyndon's Music Ministry from his early days in our congregation.

If you would like to contribute to this Scholarship Fund, you can do so in a variety of ways:

- By writing a check to Lyndon Baptist Church with the words "Scholarship Fund" on the 'memo' line of your check;
- By giving a special gift from other personal funds, e.g. the money you receive from your Minimum Required Deduction from your retirement account, designating all or part of the donation to the "Scholarship Fund";
- By soliciting financial gifts from friends, co-workers, or businesses who you know have an interest in the education of young people in general and international students in particular.
